PLEASE BRING THIS CATALOG WITH YOU

GENERAL INFORMATION

LOCATION — To be held on Arrowhead Farm, Corydon, Iowa, on Hwy. 2, then 2 miles north on gravel road.

TIME — The cattle will be sold promptly at 12:00 noon, Saturday, October 22, 1977.

SALE DAY PHONE — 515-872-1975.

SALE HEADQUARTERS — The Royal Rest Motel, Chariton, Iowa, Hwy. 30 East, Phone 515-774-5961, has been designated as sale headquarters. We also recommend the following accommodations: The Perrin Motel, Bus. Rte. US 34, Chariton, Iowa, Phone 515-774-2108; The Grismore Motel, Corydon, Iowa, Ph. 515-872-2354; The Sharon Motel, Junction of Hwy. 2 and US 65.

HEALTH — The Arrowhead Herd is federally accredited for TB and Bangs. Each animal will sell with an Iowa Health Certificate. Buyers should make themselves aware of health regulations in their respective states.

TERMS — Terms of the sale are cash unless other arrangements are made in advance with the sale manager. Checks are to be handed to the cashier of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale from the sale manager or from the cashier on settlement of the sale.

LUNCH — Will be available at the sale.

GUARANTEE — The cattle will sell under the standard guarantee endorsed by the American Shorthorn Association and the Arrowhead Guarantee of Satisfaction.

LIABILITY — Although every precaution will be exercised to protect the safety of those attending, all who attend this cattle sale do so at their own risk. Arrowhead Farm, their representatives, the auctioneer, the sale manager, the ringman, nor the clerk and cashier assume any liability. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, the handling of the cattle, fulfillment of guarantees, etc.; and he cannot be responsible for possible errors in footnotes and health charts.

SOCIAL HOUR AND DINNER — To be held Friday evening, October 21, at the Blue Grass Inn, Chariton, Iowa, at 6:30 p.m.

TRANSPORTATION — Air and train transportation is available to Des Moines, Iowa. Rental cars are available at the Des Moines airport.

SALE MANAGER AND PERSONNEL —

Stuart Wilson, SALE MANAGER, Route 1, Findlay, Ill. 62534. Phone: 217-756-8828

Bruce Brooks, AUCTIONEER, Ardmore, Oklahoma

Pat Buchen, RINGMAN, Omaha, Nebraska
Phone: 402-393-7200

From The Sale Manager

Dear Breeders:

It is with a great deal of pleasure that I welcome you to one of the truly great production sales of the decade.

Dick Prentice and E. J. "Moon" Wenning deserve a lot of credit for their forward thinking and every day persistence in breeding cattle with lots of size, scale and growth, but never in any instance giving up the most important beef traits of all — **muscling** and **easy fleshing ability**.

On October 22 you will see the **biggest** and **best straight beef bred** cattle to sell anywhere in North America. The females are sound with very functional udders and they possess the genetic material that will work for you in the future. Arrowhead has culled heavily in preparation for this sale and the opportunity for you to reap the benefits of this rigid culling will be at your disposal on sale day.

The Westmore cows have produced top herd sires along with many of the outstanding females that can be found at Arrowhead, and this may be your last opportunity to purchase the famed Thomas cows at public auction. Both of these cow families have years of reproduction ahead of them. And then there are the Four Point Count x daughters — what a tremendous job this bull has done in producing these beautiful working females for Arrowhead. You will also have an opportunity to select from the well-known Haumont bloodlines.

If I can be of any assistance to you concerning this sale, please don't hesitate to contact me. I will look forward to seeing each and every one of you on October 21 and 22.

This will truly be a "super" sale.

Stuart Wilson
Sale Manager

COMMENTS

FROM

ARROWHEAD

FARM

Dear Friends:

Welcome to the First Annual Arrowhead All-Female Super Sale!

Building a super quality cow herd requires the retention of all the best quality cows and heifers. To those of you who have asked to buy females from us in the past and were refused, it may come as a surprise that over the last three years we have sold over 150 registered females, including some that we paid high prices for. They were selected for poorly shaped udders, nervous dispositions, low fertility, poor quality of reproduction, and the lack of ability to function above average on an all roughage diet. They all went to the same buyer — the *packer*!

In other words, we have already done our culling in preparation for this first annual event so that we can now offer you our very best on October 22. We don't want to sell you anything you will be less than pleased with *after* you have them in your own herd. We are offering you females that can stand up to the *Arrowhead Guarantee of Satisfaction*, and we will be happy to answer any questions concerning any individual which we are offering for sale.

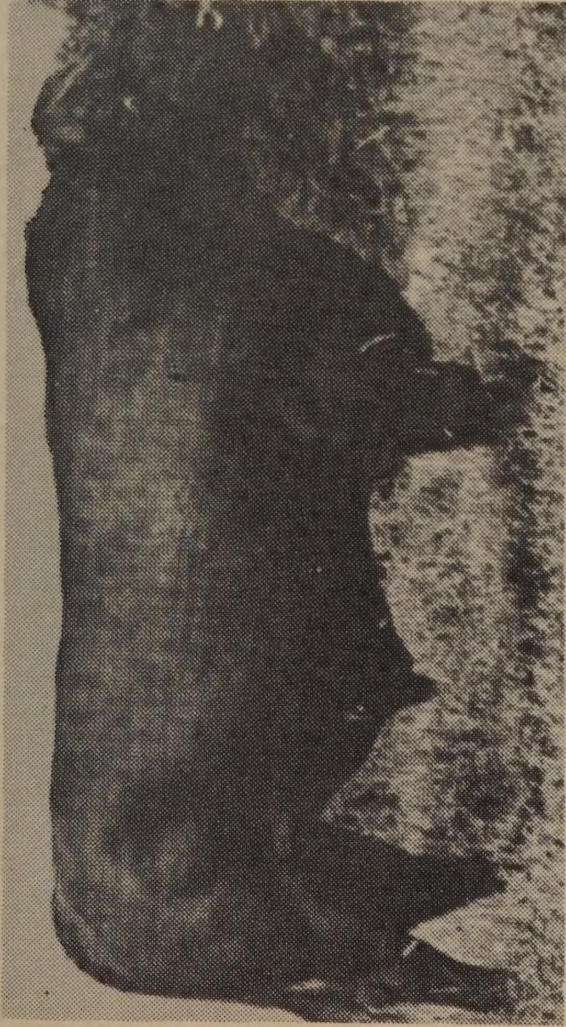

Plan to view the cattle on October 21 and be our dinner guests the night before the sale.

Sincerely,

Arrowhead Farm

Dick Prentice and E. J. Wenning

P.S. The original Westmore, Haumont and Thomas cows are being offered in their entirety. We are also selling the entire 1975 heifer calf crop as bred heifers.

FOUR POINT COUNT x

Reference Sire A

FOUR POINT COUNT x3499-119

FOUR POINT COUNT x — This is definitely the best bull we have ever used at Arrowhead and he must be considered one of the greatest breeding bulls of the entire **Shorthorn Breed!** He is solid red, long, structurally sound, very clean, a 100% dehorned, and the best muscled Shorthorn bull we have yet to see! We have purchased several long-established, well-culled herds, and have bought champions and top-sellers across the country, but our best females are daughters of this great old bull! They have the rare combination of **frame, size and muscling**, along with a high degree of **femininity and cleanness**. The Count x daughters will form the base of our herd in the future.

ARROWHEAD QUEEN G22 x — A good, young daughter of Spartan Gary x with the valuable Ed White breeding on the bottom side of the pedigree. Bred to calve in March to Alta Cedar Royal Oak 144F x.

THE WESTMORE COWS

Elmer Romines, Houston, Missouri, arrived at the Thomas farm, Hartney, Manitoba, just after we had selected our 20 heifers. He was looking for large-framed cattle, also, but he decided to look elsewhere since we had taken the top end of the Thomas heifers. He found what he wanted in the Westmore herd of Alex Gillespie, Bluffton, Alberta, Canada. Mr. Romines had the pick of two entire heifer calf crops so we were pleased to be able to purchase our Westmore cows from him. We think they are the best group of cows we have ever purchased. Our herd will be heavily influenced by these daughters and granddaughters for years to come.

THE THOMAS COWS

Back in the sixty's when a few people were beginning to talk about a need for bigger cattle, we heard about the performance-tested C. S. Thomas & Son herd, Hartney, Manitoba, Canada. This was long before they were sold to Questing Hills and eventually to Bob-Lee. Ross Thomas showed us a group of 46 yearling heifers. We ended up hand picking 20 out of the 46, selecting them for as much frame as we could find as long as they were sound and feminine. The 9 Thomas cows in the sale that weathered another 7 years of selection should be as good as producing group as any of the Thomas line.

THOMAS MYRTLE 146Z x — This cow has always produced the heaviest weaning calf of the Thomas cows. A very thick, heavy cow, from which we have several excellent daughters and granddaughters in the herd. We are keeping her 1977 bull calf. Rebred to Kenmar White Max 46E x.

THE HAUMONT COWS

Frank J. Haumont, Broken Bow, Nebraska, had one of the biggest impacts on the Shorthorn breed in the last decade. His breeding has produced an International Champion Female and two Denver National Western Champions. This influence of growthy cattle is well-known throughout North America. Tom Talbert used Haumont cows for the nucleus of his famed Troubadour Ranch herd, but when business interests interferred the herd was offered for sale. At that time, Arrowhead selected the top end of the Troubadour herd. These females have produced top-gaining and top-selling bulls for Arrowhead, and you will have the opportunity to select the very best of them on October 22.
